Re: United States v. Vo, 19 Cr. 223 (NRB)

Hon. Judge Buchwald

I write to request a 45-day adjournment of the October 17, 2019, sentence date. The government does not object. I need additional time to prepare for the presentence interview by probation which has been delayed as I needed additional times, as well as the sentencing itself. The parties intend to use the time to reduce to the extent possible issues that need be litigated at sentence.

The probation interview has been delayed through no fault of the Department of Probation but I do not anticipate a second request for adjournment of sentence.

Thank you for considering this request.

Respectfully submitted,

/s/Sabrina P. Shroff
